RE: WELCOME TO THE ICDL CENTRE NETWORK

Congratulations on being registered as an ICDL Centre and we welcome you to the ICDL Centre network consisting of over 24 000 centres internationally. This is an exciting time for us as you are helping people to move from digital awareness to digital expert status. We hope that this is the beginning of a long and fruitful relationship, and appreciate your decision to bridge the digital divide using the ICDL programmes.

As a registered centre, you will have access to offering programmes under the ICDL banner and these include:

- Project Planning;
- ICDL Base;
- ICDL Base Plus;
- ICDL Advanced ;
- Web Editing;
- IT Security
- Image Editing
- Online collaboration

New Modules

- Digital Citizen
- Digital Citizen Plus
- Digital Citizen Tablet Fundamentals
- Digital Marketing

Did you know that somewhere in the world there is an ICDL test happening every 5 seconds? To cater for this need, we encourage the training of Trainers and Testers. Our Customer relations team is on hand to assist you with training on the administration system of the accredited testing system you have chosen. We understand that this may all be overwhelming at first so please feel free to call us or email us at crm@icdl.org so that we can explain and direct you on this exciting journey.

Along with the rest of African test centres and the ICDL team, I take this opportunity to personally welcome you to the ICDL family.

Yours sincerely
